

The Future of Gas in Great Britain

Justin Goonesinghe, Strategy Development Manager

Flame Conference, 8th May 2017

nationalgrid

<http://futureofgas.uk/>

The golden age of gas, or the age of renewables?

nationalgrid

We are engaging stakeholders as to what the future looks like

nationalgrid

Gas/Electricity Interaction	Heat	Supply	Industrial Demand
<ul style="list-style-type: none"> • London Energy Consulting • MAJOR ENERGY USERS COUNCIL (MEUC) • New Power • Energy Networks Association • Pöyry Management Consulting • Centrica • EDF Energy • Statoil.com • Chemical Industries Association • BEIS • DNV GL • E3G • Lagoni engineering • Inflection Point Energy Consulting • Citizens Advice • Energy UK • OFGEM • Imperial College • ESB 	<ul style="list-style-type: none"> • BEIS • CCS Association • Centrica • Chemical Industries Association • Citizens Advice • E.ON • E4tech • EDF Energy • ENA • Energy Networks Association • Energy UK • Eon UK • HSE's Health and Safety Laboratory • Imperial College • Inflection Point Energy Consulting • KPMG • National Infrastructure Commission • New Power • Npower • Ofgem • SGN 	<ul style="list-style-type: none"> • ICIS • London Energy Consulting • Energy Networks Association • Centrica • Statoil.com • BEIS • Imperial College • Centrica E&P - UK Shale Gas • Gazprom • Anaerobic Digestion and Bioresources Association 	<ul style="list-style-type: none"> • Major Energy Users Council (MEUC) • British Ceramic Confederation • Centrica • EDF Energy • E.ON • ESB • National Grid Distribution

**A more flexible, agile market
is needed to deliver a whole system solution**

nationalgrid

A growing body of evidence is emerging supporting the future of gas

nationalgrid

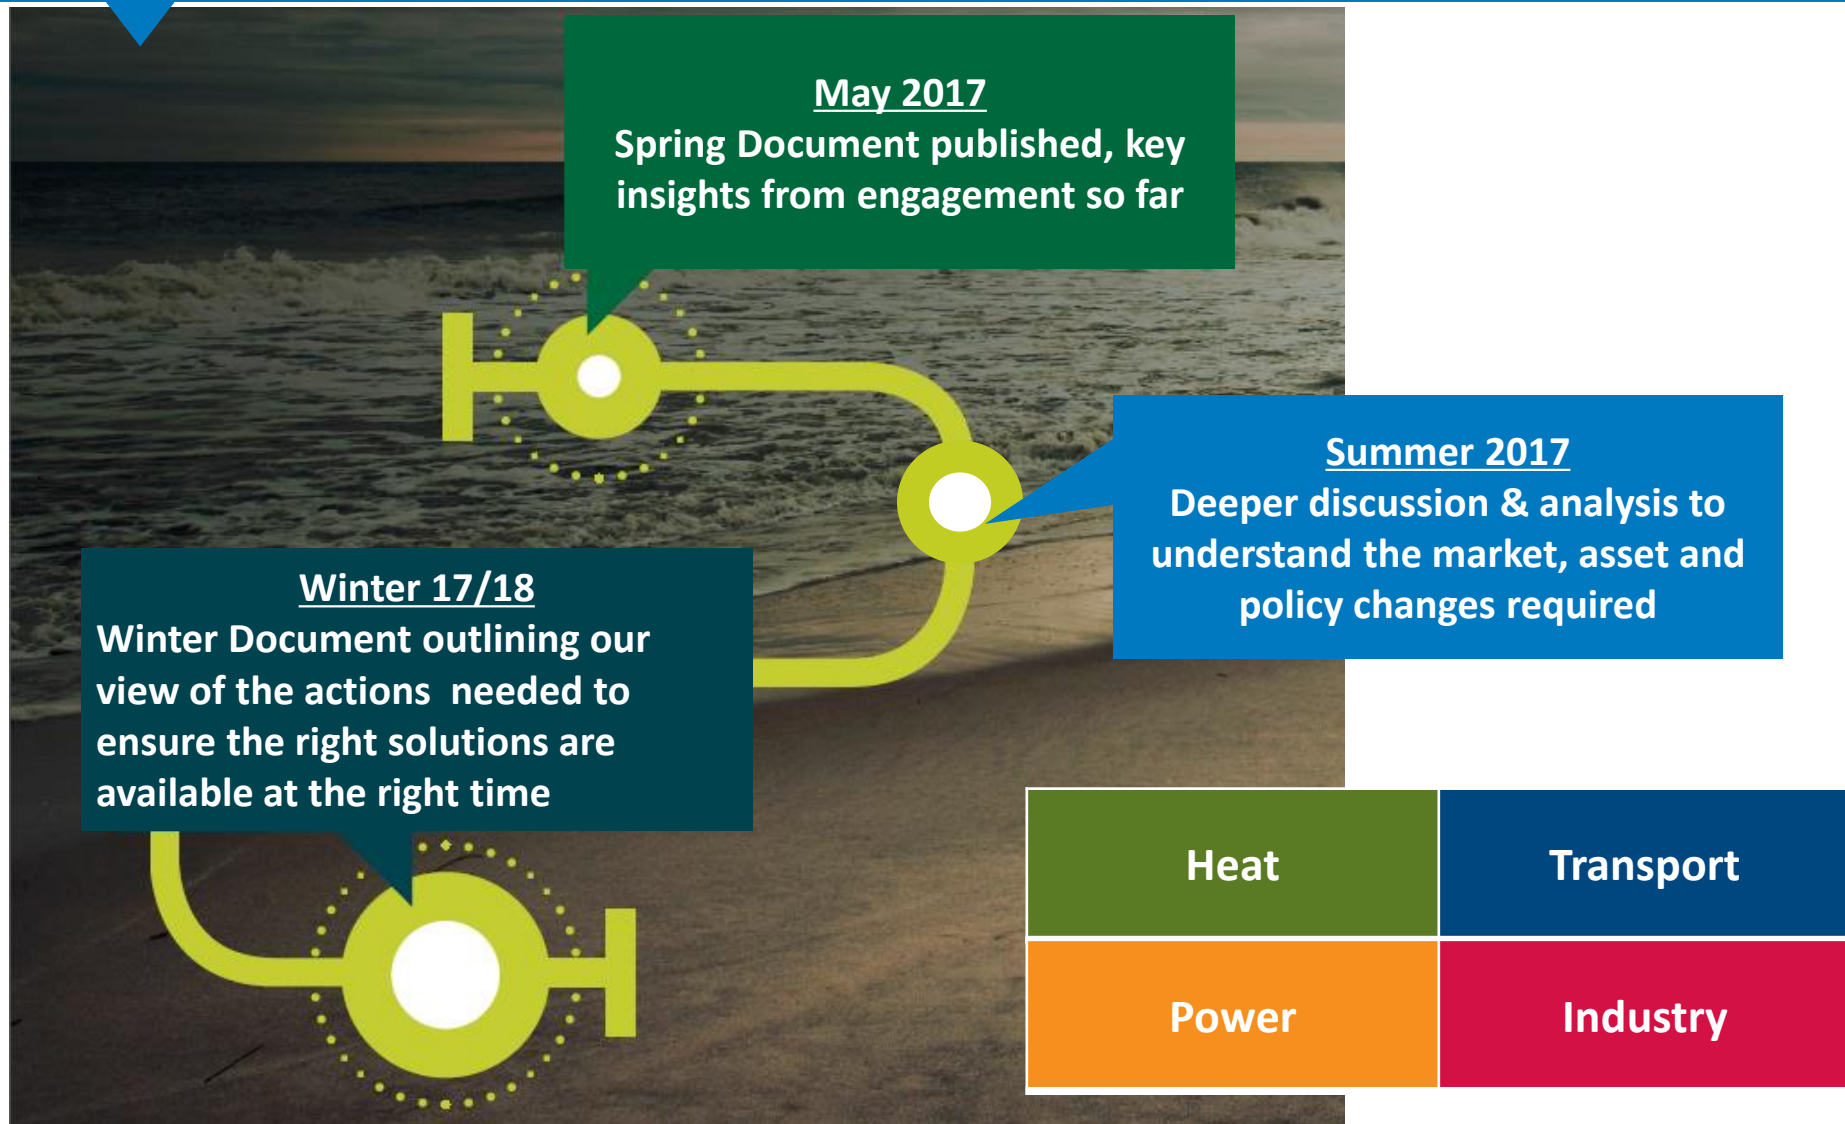

There will be direct impacts on the consumer, no matter which path is chosen **nationalgrid**

Next steps and timeline

nationalgrid

Thank you
